

get on your bike in... New Plymouth coastal walkway

An easy ride of approximately 7km:

New Plymouth's 7km coastal walkway is an ideal cycle ride for the whole family. The main centre of Taranaki, New Plymouth is situated on the wild west coast and is dominated by the iconic shape of Mount Taranaki. Renowned for its beautiful parks, and treasured old houses it is also home to scenic Pukekura Park, recently named by *Wisden*, the cricket-lover's bible, as one of the six greatest grounds in the world.
